

## LIFELINE SERVICE – LOW INCOME FEDERAL PROGRAM

### *What is Lifeline Assistance?*

- Lifeline Assistance is a government assistance program that provides a monthly credit to the local telephone service bill of residential customers. Lifeline Assistance is designed to make basic home telephone service and broadband Internet access service (minimum of 25 Mbps downstream/3 Mbps upstream, with monthly usage allowance of 1024 Gigabytes) even more affordable for qualified customers.
- If you qualify for Lifeline Assistance, DTC Communications will discount your charge for local voice only telephone service by \$5.25, stand-alone broadband Internet access service or broadband internet access service as part of a bundled package by \$9.25 each month.

### *What Restrictions Apply to the Lifeline Program?*

- **Lifeline Assistance is a federal benefit – willfully making false statements or providing false or fraudulent documentation in order to obtain the benefit can result in a fine or imprisonment or cause the subscriber to be de-enrolled or barred from the program.**
- Lifeline Assistance is only available for one Lifeline supported service – fixed or mobile (cellular) voice telephone service or broadband Internet access service – per household. The household may not receive Lifeline benefits from more than one company.
- For purposes of the Lifeline program, a “household” is defined as any individual or group of individuals who live together at the same address and share in the household’s income and expenses. A household may include related and unrelated persons.
- The household may not receive Lifeline benefits from more than one service provider – that is, if someone in the household receives a Lifeline discount on wireless (cellular) service, the household would not also qualify to receive a discount on home phone service.
- Violation of this “one-per-household” rule is a violation of the rules of the Federal Communications Commission (“FCC”) and will result in the subscriber’s de-enrollment from the Lifeline Assistance program.
- Lifeline Assistance is also a non-transferable benefit – it is a violation of federal law to rent, sell or give away your Lifeline service to any other individual, including any individual who may be eligible for Lifeline Assistance.

### ***Frequently Asked Lifeline Questions***

#### **Q. Can DTC accept a copy of my paycheck as proof of my income eligibility for Lifeline Assistance?**

A. The FCC rules require copies of your paycheck stubs for at least 3 consecutive months within the previous 12 months as proof of your income-based eligibility for Lifeline Assistance. A copy of your paycheck is not acceptable.

#### **Q. If I babysit or am self-employed, what is acceptable proof of my income?**

A. You may provide a copy of your prior year's state or federal income tax return as proof of your income.

**Q. How can I get a copy of my Social Security Statement of Benefits, as acceptable proof of my income?**

A. The Social Security Statement of Benefits is mailed to all recipients annually. You may obtain another copy from your local Social Security office. You should be aware that Supplemental Social Security (“SSI”) is not the same as Social Security – SSI is a federal income supplement program for blind and disabled people with little or no income and is not funded by Social Security taxes.

**Q. Can I qualify for Lifeline Assistance based on my age?**

A. Lifeline Assistance is not awarded based on age. To qualify, you must meet the income guidelines or participate in one of the qualifying low-income assistance programs.

**Q. Do I qualify for Lifeline Assistance if I receive Medicare?**

A. No. Medicare is not one of the qualifying programs for Lifeline Assistance.

**Q. I have recently moved to the area and need telephone service, but I only have a temporary address. Can I apply for Lifeline Assistance?**

A. You must provide a permanent residential address and a billing address, if different from the residential address, before you can receive Lifeline Assistance. If you do not have a permanent address (*e.g.*, an address not recognized by the Post Office or a temporary living situation), you must provide a temporary residential service address or other address identifying information.

**Q. Can I use a Post Office Box for my address?**

A. DTC can accept a P.O. Box or General Delivery address as your billing address, but not as a residential address.

**Q. What must I do if my address changes?**

A. If you move to a new address, you must provide your new address to DTC Communications within 30 days after relocating.

**Q. Am I required to notify you of any changes in my income or participation in one of the low-income assistance programs?**

A. You must notify DTC Communications within 30 days if you or the qualifying person in your household no longer participates in the government assistance program(s) that qualify you for Lifeline Assistance; if your qualifying annual household income exceeds 135% of the Federal Poverty Guidelines; if you are receiving more than one Lifeline benefit or another member of your household is receiving a Lifeline benefit; or if you no longer qualify to receive Lifeline Assistance for any other reason. You will then stop receiving Lifeline benefits.

**Q. When will the Lifeline discount be included on my telephone bill?**

A. The discount will be applied to your account within two billing cycles and will be retroactive back to your approval date.

**Q. Why isn't the Lifeline discount still appearing on my bill?**

A. The FCC now requires DTC Communications to verify its Lifeline customers' continuing eligibility for Lifeline Assistance every year. If you did not complete and return the Lifeline Rate Assistance Verification form sent to you by USAC within 60 days, as required, your Lifeline Assistance was terminated. You must re-apply for Lifeline Assistance in order to receive the discount.

**Q. Who can I call if I have questions about Lifeline Assistance?**

A. You may call DTC's customer service representatives at 615-529-2955, or toll-free at 1-800-367-4274, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.
